PrimeXBT VIP Tiers Terms and Conditions

1. Introduction

1.1. These VIP Tiers Terms and Conditions (hereinafter referred to as the “VIP Tiers Terms”) shall apply to and govern participation in the PrimeXBT VIP Tiers (hereinafter referred to as the “VIP Tiers”) offered to clients (the “Client(s)”, “you”, “your”) of PrimeXBT (PTY) LTD, an authorized financial services provider in South Africa, licensed under FSP number 45697, with registration number 2013/099697/07, and having its registered address at 180 Lancaster Road, Gordons Bay, Gordons Bay, Western Cape, 7140 (hereinafter referred to as the “Company”, “PrimeXBT”, “we”, “us”, “our”, as appropriate).

1.2. By participating in the VIP Tiers, you fully and unequivocally accept these VIP Tiers Terms, the General Terms & Conditions of the Company (hereinafter referred to as the “Company Agreement”), and all relevant Policies (collectively referred to herein as the “Terms”). The latest versions of these documents are available at all times under the Legal Documents section on the PrimeXBT website <https://primexbt.co.za/>, as amended from time to time.

1.3. These VIP Tiers Terms serve as a supplement to the Company Agreement. Any and all terms and conditions included herein are effective and are to be read in conjunction with the Company Agreement and any other Policies available on the Website. In the event of any discrepancy between the VIP Tiers Terms and the Company Agreement, the terms of the Company Agreement shall prevail.

1.4. The VIP Tiers Terms and all PrimeXBT products and services are not available to any person who resides in a restricted jurisdiction or to a US Reportable Person as defined in the Company Agreement.

1.5. The Client acknowledges and agrees that the availability of certain products, platforms, bonuses, competitions, contests, promotions, campaigns and services may be restricted or unavailable in certain jurisdictions, subject to the Company's sole discretion.

Risk Warning: Leveraged trading in foreign currency contracts or other off-exchange products on margin carries a high level of risk and may not be suitable for everyone. We advise you to carefully consider whether trading is appropriate for you in light of your personal circumstances. You may lose more than you invest. Information in this document is general in nature. We recommend that you seek independent financial advice and ensure you fully understand the risks involved before trading. Trading through an online platform carries additional risks. Refer to our Website's Legal section.

Disclaimer: This promotion is not intended to encourage excessive or irresponsible trading activity. The Company strongly encourages all Clients to trade in a manner consistent with their individual financial circumstances, trading strategies, and risk tolerance. Participation in the program should not be interpreted as financial advice or as a recommendation to increase trading volumes.

2. Definitions

2.1. **Collusion**, shall mean a coordinated trading behavior between two or more Clients, or between Clients and third parties, with the intent to manipulate market conditions or the appearance of trading volume. Collusion includes, but is not limited to, prearranged or synchronized trades designed to exploit volume-based programs or distort price discovery.

2.2. **Maker Fee**, shall mean a fee charged when a Client places a limit order that is not immediately matched and instead adds liquidity to the order book by waiting to be filled by another participant. Maker fees typically apply to orders that remain open on the book for a period of time.

2.3. **Self-Trading**, shall mean the act of a Client or a related party placing buy and sell orders for the same instrument that match against each other, either within the same account or across accounts under common control. Such activity may be used to artificially increase trading volume and is strictly prohibited.

2.4. **Taker Fee**, shall mean a fee charged when a Client places an order that is immediately matched with an existing order in the order book, thereby removing liquidity from the market. Taker fees apply to market orders or limit orders that match instantly against resting orders.

2.5. **Wash Trading**, shall mean a form of market manipulation whereby a Client or a group of Clients place offsetting buy and sell orders for the same financial instrument with the intent to create a misleading appearance of market activity, without actual market risk or change in ownership.

3. Eligibility

3.1. Participation in the VIP Tiers is available exclusively to registered and verified Clients of PrimeXBT who are not residents of restricted jurisdictions, as determined at the Company's sole discretion.

3.2. Clients must meet and maintain all onboarding, compliance, and due diligence requirements under the Company Agreement in order to be eligible to participate.

3.3. The Company reserves the right to decline or revoke a Client's participation in the VIP Tiers without notice if it reasonably believes that the Client has violated any part of the VIP Tiers Terms, engaged in abusive, fraudulent, or manipulative trading behavior, or otherwise acted contrary to the spirit or intent of the VIP Tiers.

If such an error results in an incorrect Tier status being assigned, the Company may adjust the Client's status and applicable fee rates accordingly, without prior notice.

6. Manual Assignment and Exceptions

6.1. PrimeXBT reserves the right to manually assign VIP Tier levels to Clients under specific circumstances, including but not limited to grace periods.
